REBATE AGREEMENT – RELEASE OF LIABILITY

The rebate check will be made payable to the applicant. MDWASD may deny any application that does not meet all of the program requirements. Requirements can be obtained by reading the Program Terms and Conditions for Participation on page 2 of this form. **MDWASD reserves the right to alter this program at any time.** Rebates shall be issued on a first-come, first-served basis as long as program funding exists. MDWASD reserves the right to modify program funding at its discretion, and no person making any application for a rebate shall be guaranteed or entitled to receive a rebate. Visit www.miamidade.gov/conservation for the most current information on Rebate qualifications and funding.

The undersigned agrees to allow MDWASD to inspect all fixtures/installations as a condition for obtaining a rebate under this Program. MDWASD does not endorse or recommend any high efficiency items approved for a rebate. MDWASD is not responsible for the quality of the items purchased and does not warrant or guarantee any product, nor any fixture comprising a component in any fixture or its installation. MDWASD does not represent that any particular fixture is suitable for installation at a given location, and disclaims all warranties of suitability or fitness for any purpose. The MDWASD does not warrant or guarantee lower water bills as a result of participating in the Program. The MDWASD is not responsible for any damage that may occur to applicant's property as a result of removing the old fixture or installing the new fixture under this Program. The undersigned acknowledges that installation of a fixture may require a building permit and the retention of a licensed contractor. Nothing herein shall prevent or stop Miami-Dade County from enforcing the terms of any portion of the Code of Miami-Dade County, the Florida Building Code and any permit issued thereto, or any other rule, state, ordinance, or requirement, and no rebate shall be provided for work performed in contravention of any of the preceding. The undersigned is solely responsible for permitting and retention of a licensed contractor to perform the installation work.

The undersigned agrees to hold harmless MDWASD, its directors, officers, and employees from and against all loss, damage, expense and liability resulting from or otherwise relating to the purchase, installation, use, or removal of a fixture. By signing this form I certify that I have read, understand, and agree to the terms and conditions of this rebate program, including the Program Terms and Conditions for Participation section on the back of this application (see reverse side).

I have read and understand the Rebate Program requirements as stated in the Program Guidelines and the Program Terms and Conditions. I understand that I must properly dispose of any replaced fixtures so that they cannot be reused.

Program Terms and Conditions for Participants

1. **High Efficiency Toilet (HET)** - **one (1)** HET rebate per residential household per year, for a maximum of two (2) rebates, per residence. **Residences must have been built prior to 1996. Commercial Properties do not qualify for this Program.**
2. **High Efficiency Showerheads (HES)** -
 - a. Participants may receive up to a maximum of two (2) \$10.00 rebates when they purchase and install a WaterSense or 1.5 gallon per minute (gpm) showerhead and submit a rebate application. Please see 5b for requirements.
 - b. Or, participants may exchange their old showerhead for free for a new high efficiency one at any MDWASD Customer Service Center, call 3-1-1 for locations.
3. **High Efficiency Faucets (HEF)** - Participants may receive up to a maximum of two (2) \$10.00 rebates when they purchase and install a 1.5 gallon per minute (gpm) kitchen/bathroom faucet or EPA WaterSense-certified faucet and submit a toilet rebate application. Please see 5b for requirements.
4. Rebates shall be granted on a first-come, first-served basis until program funds are expended. **Program is subject to available funds and MDWASD reserves the right to alter program funding or program requirements at any time without notice. MDWASD does not guarantee that program funding shall be sufficient that all persons submitting applications shall receive a rebate.** Visit www.miamidade.gov/conservation for the most current information on Rebate qualifications and funding.
5. Fixtures must meet the following requirements to qualify for these rebates and must be installed within Miami-Dade County's geographical boundaries:
 - a. **Only HETs labeled as EPA WaterSense. No substitutions will be accepted under this Program.**
 - b. **Only 1.5 gpm showerheads and 1.5 gpm faucets or EPA WaterSense labeled faucets/showerheads qualify for a rebate. For non-WaterSense labeled faucets and showerheads, please provide packaging information stating the make and model number and that the faucet or showerhead is rated at 1.5 gpm. A photocopy of the packaging information will also be accepted.**
6. **Original dated sales receipt for new toilet/showerhead/faucet must be submitted with the rebate application. COPIES WILL NOT BE ACCEPTED.**
7. Qualifying toilet/showerhead/faucet must be installed in a manner which complies with all applicable laws, ordinances and building codes, before submitting the rebate.
8. Rebate Application must be postmarked within 60 days of purchase date.
9. MDWASD reserves the right to deny any applicant who does not meet the program requirements herein.
10. Incomplete applications and those without the original dated sales receipt will be returned to the applicant.
11. Rebate amount applies only to purchase of a qualifying high efficiency toilet and/or faucet and/or showerhead.
12. New construction is not covered by this rebate.
13. MDWASD is not responsible for rebates lost or delayed in the mail. Rebates shall be deemed to be received by the applicant upon mailing by MDWASD.
14. Miami-Dade County reserves the right to inspect the toilet/showerhead/faucet installation prior to issuing a rebate.
